EXPERIENCE

June 2016 **Limegreentangerine**

- June 2015 *Front-End Web Developer*

Employed as a Front-End Web Developer. Responsibilities included building sites from scratch following Photoshop designs whilst liaising with Designers to come up with solutions to best suit clients needs. Maintaining and updating existing client sites.

June 2015 - **Wyndcliff**

Nov 2014 *Freelance Front-End Developer & Web Designer*

Heading up several web projects, helping bring modern web technologies into a predominantly Print based company.

Dec 2014 **Buzzbox**

- Sep 2014 *Freelance Interactive Media Specialist*

Developing interactive PDF's using InDesign's Digital Publishing Suite & Web Development for existing Buzzbox

RECENT WEB PROJECTS

Limegreen- **Portfolio Site** - <http://limegreentangerine.co.uk/>

tangerine During my time at Limegreentangerine I was entrusted to build the company website. It was a joy bringing the work of their designers to life, using the latest technologies.

Cardiff **Cardiff Beauty Clinic** - <http://cardiffbeautyclinic.co.uk/>

Beauty Tasked to create an online presence that looks professional and works across all devices. The site is fully manageable using Clinic Wordpress as a content management system.
